Experience

- **Independent / Freelance Developer** (ongoing)
 - Building tools for automation, building products for clients, and personal projects.
 - Creating professional business web-pages.
- **Student / Project Work** (current)
 - Coursework and team projects involving complex algorithms, systems design, database management, numerical programming, and robotics prototyping.

Skills

- **Languages:** JavaScript (ES6+, React), Java, SQL, Python, C#, Kotlin, C++ (Arduino)
- **Web / Backend:** React, Node.js, Socket.IO, Express, Supabase, Cheerio, REST APIs
- **Hardware / Robotics:** Arduino, Raspberry Pi
- **Other:** Adobe Suite, Canva, Figma, Maya, Blender, Unity

Projects

- **OpenStreetMap 3D Exporter** (React, Node.js, Three.js)
 - A React app that fetches geographic data from OpenStreetMap and generates a 3D map using Three.js based on node information. You can also export the 3D map as a GLTF file.
- **KIU Drop** (React, Supabase, Stripe, Socket.IO)
 - Student-to-student rental/lending platform for campus items; temporary chat via Socket.IO.
- **What? Where? When?** (React, Node.js, Cheerio, Socket.IO)
 - Intellectual game based on the classic TV Show "What? Where? When?". Build with real-time chat with room customization and other multiplayer features.
- **Multiplayer Card Game** (React, Node.js, Socket.IO)
 - Real-time multiplayer game "Bura" with rooms, turn-based game state sync, custom room management.

Achievements & Competitions

- **1st Place** — UNICO AI Innovation Laboratory Competition, Rustavi
- **2nd Place** — Georgian WRO LEGO Robotics Championship
- **3rd Place** — Google Developer Group Hackathon
- **Top 3** — GITA Innovations Hackathon
- Participated in multiple other national and university-level hackathons

Education

- **Kutaisi International University** 2023 - Present
 - tukhashvili.nikoloz@kiu.edu.ge
 - Student assistant in the the "Fundamentals of Programming" and "Introduction to Informatics" courses.
 - **IT Step Academy** 2019 - 2021
 - Winner of the IT Step Hackathon.
 - **Rustavi's Gimnazium** 2011 - 2023
-
